

¿Qué es?

La aplicación Doceo es la Aplicación de Gestión de Formación del Profesorado Departamento de Educación, Cultura y Deporte.

En esta nueva versión está completamente integrada con el resto de aplicaciones de educación en Aragón, manteniendo una imagen y funcionamiento similar entre ellas con el objetivo de facilitar a los usuarios la interacción con la administración pública.

The screenshot shows the 'Listado de actividades en proceso de inscripción' (List of activities in the registration process) within the Doceo application. The interface includes a header with the 'GOBIERNO DE ARAGÓN' logo and the application name 'Aplicación de Gestión de Formación del Profesorado'. Below the header is a navigation bar with options like 'Actividades', 'Plan de formación', 'Gestión', 'Superadministración', 'Informes', and 'Nueva Actividad'. The main content area displays a table with the following columns: 'Título - Centro educativo', 'Modalidad', 'Ámbito', 'Horas', 'Fecha de la actividad', and 'Fecha inscripción'. The table lists three activities, all of which are 'Curso (presencial)' (Presential Course). The first two activities are for the 'Centro de Profesorado' (Teacher Center) and have 10 hours each. The third activity is for the 'Autonómico' (Autonomous) scope and has 0 hours. The table also includes pagination controls at the bottom, showing 'Se han encontrado 3 actividades' (3 activities found) and a 'Mostrar' (Show) button.
